

Sponsorship Letter

Dear Friends:

_____ is asking you to make an investment in her future by supporting her registration to EquipGirl.

EquipGirl is a non-profit girl's camp located in the beautiful Texas hill country.

EquipGirl is dedicated to giving girls the tools needed to navigate life successfully. EG is a mix of a summer camp, a finishing school, and a Christian leadership conference. The EquipGirl team will teach the girls how to look their best. They will have color consultations and makeovers; be encouraged to carry themselves with confidence and poise in all situations; learn how to choose clothing that is modest, in good taste, and flattering to the body types while staying on trend. The medical team will give health information.

The leadership staff focuses on character by teaching the girls how to process information and opportunities correctly, how to make good decisions and think through issues, how to be a leader, how to find authentic self-worth, and how to prepare for life. EG will also teach them how to have real fun and joy in life, to build life-long relationships, to appropriately interact with other people, and to successfully handle many other specific issues facing youth today. This is your opportunity to invest in the life of a special girl and in the lives of everyone she influences.

By registering for this camp, she is making a commitment to grow to become the woman that God created her to be. EG will help her to find her strengths and talents and build for her future. It is our goal to bring out the best in each girl and be a strong support team for her parents and church. EquipGirl is building for the future.

Campers can continue to interact with the EG leadership staff throughout the years and can go through training to join the Junior staff in their late teens and early 20's. It is our hope that EquipGirls will pass on this training and leadership to each generation. A session of 4 days of EquipGirl is \$425. It is an overnight, all girls' camp.

Please visit our website to learn more.

Any donation to support this camper is much appreciated. Please contact the EquipGirl office with any questions or comments. Thank you.

Sincerely,

EquipGirl Leadership Staff
